104) We should show we care for our students, especially with our co-workers.
105) They had a representative from their office visit campus community.
106) There are students participating.
107) Participating in activities.
108) Community is involved, such as movie night, other NMHU activities.
109) The community is invited to participate.
110) A lot more activities for the students.
111) Campus life.
112) Students take the lead.
113) Students are on campus participating, studying, exercising and sharing.
114) Faculty participate and encourage participation in campus activities.
115) Students are engaged with fun educational activities.
116) Staff are involved.
117) More students are involved with campus life.
118) They bring more events for students and staff.
119) Staff support each other for events, games, and programs.
120) If we had more events.
121) More activities for students, quality athletic programs that keep students excited about attending games on weekends and better housing and meals so students aren’t as anxious to go home. There need to be natural gathering spot and regular events.

Campus More Vibrant When...
Kickoff Event feedback: Main Campus, Jan 28, 2015

122) Staff morale is high and people want to be here helping students. When students feel appreciated it goes a long way to making the college experience more positive. When people like where they are, things are more vibrant.

123) Need to learn to take better care of their practice and the multiple current safety hazards

124) Coordinated activities

125) More public activities

126) Since a lot of parents go to this school maybe opening a day care close to school. Compatible with class hours, baby sitters, possibly child friendly class settings.

127) If school spirit was more encouraged and there were more activities for students off campus.

128) If the town had more to offer the college students. More of a nightlife, more recreations.

129) Places that stayed open 24 hours.

130) More student organizations and activities.

131) More shopping markets.

132) More students at Highlands

133) Movie cinemas

134) Transportation on campus. Ambassadors for international students. More events and trips to help integrate understand cultural differences.

135) There were positive, engaging activities for the students and their families.

136) Do a better job at recruiting (I came from Colorado and never heard of HU until my mom found it)

137) Recruits all groups not just minority groups

138) Faculty need more training as every semester, somebody in some department makes mistakes on my account making me frustrating and making me think twice about returning to this university

139) More campus student events like bowling, movies, plays and organizations

140) If there was more to do around the town. Bowling, movies, golf, more restaurants.

141) If there were counselors in abundance on campus to talk to and give advice privately. HUCares does a good job but the people are limited. Need more.

142) If the university would arrange trips to different universities.

143) More NMHU students would take part in politics by demanding more from student senate and the administration. A student newspaper would help educate students more about what the admin is doing.

144) If there were more job opportunities and internships. Also opportunities where students can go to conferences.

145) An international office actually helps international students.

146) They get more involved with the community. Like the world college.

147) If off campus activities existed

148) When everyone is happy and smiling. When there are more activities for the students it makes a happier campus.

149) When the dorms are full and more students are living on campus. If the cost of on campus housing is lowered, this would greatly enhance student life.

150) Students are able to have pride in where they are.

151) When we can all work together towards the common goal of graduating students to include supporting them through the process especially the freshman. We lose too many due to lack of support.

152) There are more outdoor concerts, bbqs, and fairs. The more people are out and about the better engagement on campus is.

153) If NMHU wants to remain a vibrant multicultural institution, it needs to weigh in on some of the transportation issues affecting Las Vegas. Without bus and possibly train, students can feel isolated.

Campus More Vibrant When...
Kickoff Event feedback: Main Campus, Jan 28, 2015

154) When support from all sectors of the university. I see a lot of conflicting events that might not bring the campus closer together.
155) Things are open on the weekend.
156) Student and community attendance is high. Get impact from students about their participation in planning and carrying out activities of interest to them.
157) When the student body is active and has a common bond.
158) When instituting a full funded sanctioned intramural program.
159) More group participating in more activities and interest groups together. I.E. an Olympic fencing club, chess club, ski club. Keep up the “welcome back” events around longer than the first week.
160) Having an on-campus garden.
161) Students live on campus, or at least in town.
162) When there is more to do. On campus interaction.
163) Evening activities.
164) The campus comes together to support a cause (stalking awareness, marches/walks).
165) There are lots of activities going on in the parks that encourage student participation such as fairs and sports.
166) Students stay on campus.
167) Marching bands, mascots, traditions, and cheerleaders.
168) On and off campus activities for students to be involved in.
169) Activities are planned by campus life.
170) Staff morale is high.
